AFFIDAVIT OF _____ RE: _____ BEACH

I, _____, of the City of _____, in the Province of Ontario, MAKE OATH AND SAY AS FOLLOWS:

1. I am 91 years of age and have gone to _____ Beach since _____. Originally my husband and I rented a cottage at _____. We were a family of five who were attracted to the friendliness of the area and the wide and beautiful beaches of the area.
2. In _____, my family purchased a cottage located at _____.
3. Our cottage was located three roads away from the beach, even though we could have purchased land on the beach. We chose to purchase back lot because we did not want our children who were non-swimmers running onto the beach without supervision.
4. From the year _____, our family used the cottage throughout the whole summer, from the end of the school year until Labour Day. My husband travelled back to Toronto to work during the week, while I stayed at the cottage. We used the beach almost daily in mornings, afternoons and evenings for swimming, sunbathing and playing in the sand.
5. We access the beach at _____ (walkway, conc. Rd. End) and walked north or south along the beach until we found a satisfactory spot to sit.
6. During this time frame from _____ to present (_____), no one every objected to me or my family's or my guest's presence at the beach. No one has ever questioned our presence or claimed that we could not use the beach. No one ever told us that we were using the beach with their permission or that we required their permission to use the beach. We always assumed and in fact were told by _____ when we purchased the cottage that we had the right to use the beach.
