I, _____ of the Town of _____, Tiny Township (or Midland, etc.), in the Province of Ontario, MAKE OATH AND SAY AS FOLLOWS:

1. I first came to _____ in Tiny Township in 1955 to visit at a friend's _____ . My family also rented cottages at _____ in 1960 and At _____ in 1970.
2. My family continued to visit the area and visit to the beaches at _____, _____, _____ for day outings.
3. My family was drawn to this area permanently in 19__ , when we moved to the town of _____. We live year round in _____ and visit many of Tiny's beaches regularly through spring, summer, fall and winter for recreational purposes. Most frequently we use the beaches at Con. _____ and Con. _____ road allowances.
4. When we first moved, my family and guests frequented the Beaches located along many Conc. Road's including Concessions _____. Parking was readily available in the Road end Parking areas and also along the Concession Roads without restrictions.
5. When we visit the beaches at these locations we generally leave the road allowance area of the beach and move either to the north or south along the beach and sit where we find a suitable spot. During the time I have used the beach at the above locations, I have never been asked by anyone to leave te beach. No one has ever told me we were using the beach with their permission or that we required their permission to use the beach. We always assumed and in fact were told by the Real Estate Agents who sold our house that we had the right to use most of the beaches along Tiny Beaches Road, where there was public access and parking available.

SWORN, before me at the Town of _____
