Dear Ms. Ebers:

Thank you for writing to me regarding the mediation of a case in your community. Your concerns are important to me.

I appreciate the issues you raised. As they would best be addressed by the Honourable Michael Bryant, Attorney General, I have passed along a copy of your correspondence to him so he can respond to you directly. I am confident the minister's response will shed more light on your specific concerns.

Thanks again for writing. Your input on any provincial issue is always welcome. My colleagues and I look forward to continuing to work with you and your fellow Ontarians to meet your priorities and deliver the results you deserve.

Yours truly,
