AFFADAVIT OF \_\_\_\_\_ Re: BEACH NAME(S)

I -----NAME-----, of the City of \_\_\_\_\_, in the Province of Ontario, MAKE OATH AND SAY AS FOLLOWS:

1. Initially I attended at \_\_\_\_\_ Beach during the late 19\_\_'s to visit the \_\_\_\_\_ family who owned a cottage on \_\_\_\_\_. From that time forward we visited \_\_\_\_\_ in Tiny Township and later purchased a cottage/home located at \_\_\_\_\_.
2. The cottage at \_\_\_\_\_ is winterized and accordingly we use it not only in summer, but also fall, winter and spring on weekends and during vacation time.
3. I have sworn a supplementary affidavit which has attached to it a number of photographs of my family commencing in 19\_\_ at \_\_\_\_\_ Beach. In addition, I have Super 8 films, transposed into video, which shows the use of the beach.
4. During this time we have used the beach(es) at \_\_\_\_\_ for recreational purposes, such as sunbathing and swimming, walking and jogging. My guests have also used the beach at \_\_\_\_\_ for similar recreational purposes.
5. At no time during the time frame from \_\_\_\_\_ until present, did anyone ever question our use of the beach, or our presence on the beach, or state that we required someone's permission to use the beach. My assumption always was, and in fact I was told by my father-in-law? That the beaches were always available for access.

SWORN before me at the City of \_\_\_\_\_, in the Province of Ontario, this \_\_\_ day of \_\_\_\_\_, YEAR.
